PUNAHOU OR ST. LOUIS WILL WIN FIRST SERIES

INTERSCHOLASTIC SOCCER.
LEAGUE.

	P.	W.	L.	D.	Pts.
Kamehameha	4	2	0	2	6
St. Louis	3	2	0	1	5
Punahou	3	2	0	1	5
McKinley	4	1	3	0	2
Mills	4	0	4	0	0

The playing off of one postponed game between St. Louis and Punahou will end the first half of the interscholastic soccer series. The teams will then go through the schedule again, and the school with the largest number of points for the full eight games will be declared the winner. The season is only divided into halves according to schedule, and not for winners of each half to play off a championship series.

Except in the event of a drawn game, either St. Louis or Punahou will be out in front when the first half is completed. A win for either would give it 7 points, putting Kam into second place. A tie game would tie all three leaders with 6.

With the season practically half over, it looks as though either the Saints or Oahuans would land the championship this year. Kamehameha has had a raft of bad luck in losing players through injury, and it is doubtful whether the team can hold its own with the other two, although the cadets have played a drawn game with both.

Oahu College 2, Mills 0.

The Mills soccer eleven again went down to defeat yesterday afternoon on the Punahou field, although the men put up an excellent game and came within an ace of scoring. It was with the same determined spirit that the losing squad has shown in all its past games that the Mills team went into the contest, and it was two full periods before the eleven gave up the game as lost. Monday's match was not one-sided, as was expected by the majority of the fans, but was, on the other hand, a close and exciting contest from the spectators' point of view. Whether it was the superior playing of the Mills or the lack of "pep" among the members of the other team is hard to tell, but nevertheless the winners of the buff and blue played in a spiritless way at times, and seemed to care little about the outcome of the game.

The average playing of those on the losing team was a shade better than that of the Punahou team, although they did not manage to run up a score. From start to finish certain individuals from among the home team appeared to do most of the work, while on the Mills aggregation every man was working his hardest, and putting up a fair exhibition. There were instances when both sets of shooters used teamwork to the best advantage, but these instances were few and far between, and the on-lookers did not see much real work. The Oahuans were especially poor in their passing game, and often two or three of the men crowded around the ball at the same time. Although the playing can only be ranked as fair, the spirit in which the battle was fought was of the best, there being no signs of rough work or bad feeling for the entire length of the game.

Even at First
For the first fifteen minutes of play the ball was carried all over the field and neither side seemed to have the advantage. The Mills team ran the ball within ten yards of the Punahou goal at one time, and the Oahuans took one shot for the Mills net, but the score was not changed. Just before the half closed, "Puckin' Gey" playing wings for the college team, took the ball from the middle of the field and carried it to within a few paces of the Mills bars, from where he was able to shoot a goal. During the rest of this half the other goal was the center of hard playing but when the referee called time the score remained the same.

With Punahou one in the lead, the second period saw those on the short end of the score take a noticeable brace and run the ball far into the O. C. territory. Here the leather remained for about ten minutes, and although the Mills shooters aimed for the goal a couple of times, they were not able to get the ball past Austin, who played a fast game as goalkeeper. The last part of the second half was in the Punahou's favor and in a scrimmage right under the goal the heavier O. C. men managed to push the ball and the goalkeeper over the line for another score. Some of those standing close by claimed that the leather went off-side just previous to the making of the goal but the referee

COMPANY L INCREASES CHANCES OF LANDING 1ST INFANTRY PENNANT

In one of the loosest games of the season, Company L sent Company E hopes for the 1st Infantry championship glimmering last Sunday. With their big sticks, and helped a lot by the E company infield, L company put the game on ice in the first inning. They drove Dennis out of the box, then Woodhouse came, staid a little while and he, too, had to leave. The redoubtable De Bolt finished the game.

In its half of the first inning, E company started well, but was cut short by one of the most brilliant fielding stunts seen this season. De Bolt was safe on an infield hit. The next man fled out, the next walked sending De Bolt to second. The next man drove a line drive about 12 feet from second. Mason started when the ball was hit, leaped high in the air and speared the ball with one hand, the runner took a look at the ball and started for third. As soon as the ball was caught, Allen started from deep short and raced with the runner back to second and beat him to it by a foot. Mason tossed the ball to Allen just as he crossed the bar. It was a pretty play and stopped the E company rally before it was fairly started. The game was more or less of a joke after the first inning. Shomo did fine work in the box and was never in danger. Company L has one more game to play and if they win it they will be tied for first place. The last game is with Company G and the whole regiment is on edge for this game. The fans expect to see a fast and exciting game when these two company teams get together.

The score of Sunday's game:
Company L.....5 0 0 0 0 3 1 3 0—13
Company E.....0 0 0 0 0 2 1 0 0—4
Batteries—For Company L: Shomo and Smith; for Company E: Dennis, Woodhouse, De Bolt and Spitz and Mason.

ST. LOUIS WINS FROM MCKINLEY SOCCER ELEVEN

St. Louis and McKinley High looked up on neutral ground yesterday, their soccer match being played on the Kamehameha field. The final score was 2 to 0 in favor of the Saints, the same figure, incidentally, by which Oahu won over Mills at the Punahou field.

The St. Louis contingent put up the best exhibition of the association game, but it is undoubtedly true that the High School eleven was weakened and somewhat demoralized by the absence of its captain, Lionel Brash, who was out of the game on account of a bad leg. St. Louis, though, put up an excellent brand of interscholastic soccer, and it is doubtful whether McKinley could have held its own even with its full line-up.

St. Louis has one more game to play to complete the first half of the schedule, a match with Punahou that was postponed on account of a muddy field. This will be run off as soon as possible, so that all teams can start the circuit again with an even break.

A CHALLENGE.

The Red Sox baseball team wishes to challenge any amateur team in the islands, Sunday games included. Next Sunday is an open date. Address Eddie Phillips, Paragon Market, or the sporting editor of the Star-Bulletin.

did not see it, so the score finally stood 2 to 0 in favor of the wearers of the buff and blue.

Some Stars
Kawelo did well for the Mills on the forward line and Captain Takeuchi and Watada were the stars of the backfield, the former getting in some very good kicking and the latter doing exceptionally well with corner kicks. There was one instance in particular where Watada booted a corner kick right in front of the goal and had not Austin been quick with his hands one of the Mills forwards would have scored a goal. Austin and Brown played in style on the defense, while Tallentyne and Ernest Gay were the strong men on the shooting line.

Catton refereed his last game Monday for on Wednesday he is leaving for the south seas, where he has business to attend to. He will be welcomed back next year by the soccerites for his services as a referee will be missed in the meantime.

The line-ups:
Oahu College—R. Gay, rw; E. Gay, lw; Baldwin, fr; Quintal, lf; Ballentyne, cf; O'Dowda, rf; Hind, lb; Gooch, Brown, rf; Fleishauer, lf; Austin, gk.
Mills—Kawelo, rw; Loy, lw; Watada, lf; Meamoto, lf; Muramura, cf; Foo, rf; Yoshiko, lf; Loosan, cf; Lee, rf; Takeuchi, lf; Okasaki, gk.
Referee, Catton.
Goals, by Gay, 1.
Final score, O. C. 2; Mills, 0.

Jeff Tesreau, Losing Salary Raise, Will Jump to Federals

CORNELL TRAINER HAS ADVICE FOR LOCAL MEN

This is the third and final instalment of useful hints on training, diet and exercise, sent to Honolulu athletes by Trainer Moakley, of Cornell University. Moakley has a big reputation in eastern college circles for making, and making over young men. He has taken students with no former experience, and only moderately good physiques, and made star athletes out of them before graduation.

His advice should be carefully read and considered by local scholastic athletes.

ADVICE AS TO DIET TO KEEP FREE FROM STOMACH TROUBLES.

Thorough mastication of all food up to the point of involuntary swallowing, with the attention directed, however, not to the mechanical act of chewing but on the tasting and enjoyment of the food while in the mouth.

"Don't count the chews nor hold the food in the mouth too long beyond the time of natural swallowing.

Liquid foods to be sipped and tasted, not drunk down like water.

Fruits—Oranges, apples, grapes, pears.

Cereals—All kinds except undercooked oatmeal.

Soups at every evening meal.

Colery, lettuce.

All fresh fish.

Meats—Broiled beefsteak, chops, chicken, roast beef, turkey, lamb, cold roasts of the same meats.

Eggs—Poached, scrambled, omelette or soft boiled, No fried.

Vegetables—Baked potatoes, hashed brown, creamed, mashed, boiled, peas, boiled rice, etc.

Bread—Bread or rolls one day old.

Zwieback, toast.
Stewed prunes, apricots, apple sauce, etc.

Apples eaten before retiring are very healthful.

Desserts—Light puddings, ice cream.

Coffee not over three times a week, and never three days before a meet.

Better not at all.

Cocoa occasionally. Milk if it agrees with one, but never at meal before practice or competition.

Cold tea with lemon juice is the best drink at lunch.

No fried or greasy foods.

Avoid ice water. Don't chill the stomach. Cold drinks or ices should never be taken until after solid food has been taken at a meal. Steak and toast and tea is the proper meal before a competition. If this is not available, cold roast beef, lamb or chicken, or hot roast beef, lamb or chicken, or lamb chops, with bread one day old will answer.

Fresh biscuit, bread or corn cakes should be tabooed.

Try a cup of cocoa or hot milk on retiring if you are troubled with sleeplessness.

TROPHY OFFERED AS A MEMORIAL

At a recent meeting of the Interscholastic League, the Cornell Club offered a koo tablet with "William Orr Lidgate Memorial" properly inscribed on it to be given to that school which wins the cross-country race three times. This tablet is being offered in addition to the Cornell cup which is to be won by that school winning the Cornell meet three times. With this beautiful tablet in view the cross-country race should become one of the most important parts of the meet and thereby stir up unlimited enthusiasm in the three mile run. William Orr Lidgate was a former student of Cornell, and before that was one of the most beloved members of Punahou, where he started his athletic career, and where he was one of the best all round men in the school. Later he entered Cornell and there he took a brilliant part in the different sport of the university until his death in his junior year. Among his

LOCAL RING FANS WILL GET FRIDAY FIGHT NEWS

When Willie Ritchie and "Harlem Tommy" Murphy meet in the ring at San Francisco next Friday evening, a large number of Honolulu fight fans will be waiting eagerly to hear whether or not the lightweight crown has changed heads. The meeting between the two has been so often postponed that interest has grown in direct ratio to the delay.

Local ring enthusiasts will have a chance of seeing the returns which are to be posted by Dick Sullivan at the Fashion on Hotel street. Dick has secured the full cable service, and ringside bulletins should commence to come in about 7:30 p. m.

many friends are a large number of Honolulu boys who remembered him chiefly for his football and track ability and especially for the fact that he won his place on the Punahou roll of honor where his name may be seen today.
